SUPPORTER OF**
**Party with the
Plants 2024**
FRIDAY, SEPTEMBER 27

**WEEK OF GIVING
(SEPT. 23 - 27)**

GROW CHALLENGE + PARTY WITH THE PLANTS

The Grow Challenge is a peer-to-peer campaign to raise support for the Donald Danforth Plant Science Center. Championed by the Young Friends, this week of giving culminates in Party with the Plants, an evening of drinks, music, and mingling, all in support of a good cause.

In-Kind Donations

We welcome in-kind donations to support the Party with the Plants fundraiser. Please consider hosting a food or beverage station the night of the event. Donations of products, services, and gift cards are also appreciated and will be included in raffle baskets. Please call to discuss.

Event Proceeds

The Danforth Center is a 501(c)(3) nonprofit with a mission to *improve the human condition through plant science*. All proceeds from Party with the Plants and Grow Challenge go toward the Danforth Center Impact Fund, which helps early-stage projects launch, early-career scientists succeed, and schoolchildren learn and be inspired by plant science.

(See reverse for more details.)

DONALD DANFORTH
PLANT SCIENCE CENTER

danforthcenter.org

**Feed the hungry
and improve
human health.**

**Preserve and
renew our
environment.**

**Enhance the
St. Louis region
as a world center
for plant science.**

Plant science has the power to help solve both hunger and the climate crisis, while benefiting our region.

Danforth Center STEAM education empowers schoolchildren to pursue scientific careers. Our innovation ecosystem is creating the jobs to employ them locally.

Together we are making a difference—in St. Louis and around the world. Join us.
